IBM Cognos:

The screenshot shows the IBM Cognos Analytics with Watson dashboard. The header bar is blue with the text "IBM Cognos Analytics with Watson" on the left, a search bar in the center, and user profile icons on the right. The main content area has a dark background with the text "Hello. Welcome to Cognos Analytics with Watson." and a sub-header "You can get started right away by taking a look at our introduction video, product tour and Getting Started tab." Below this are two buttons: "Watch video" and "Take a product tour". On the right side, there is a user profile card for "Neathra V S (1d197fc00f...)" with an email address and a "Profile and settings" link. Below the profile card are links for "My schedules and subscriptions", "Log my session", "About", "Manage product subscription", "Privacy", "Cookie Preferences", "IBM Cognos Analytics Mobile", and "Log out". At the bottom, there is a "Quick launch" section with four tiles: "Upload data" (with an upward arrow icon), "Prepare data" (with a cube icon), "Exploration" (with a diamond icon), and "Present data" (with a bar chart icon).

Uploading the dataset:

This screenshot shows the IBM Cognos Analytics dashboard with a Windows file explorer dialog open over it. The dashboard's "Quick launch" section is visible in the background, showing tiles for "Upload data", "Prepare data", "Exploration", and "Present data". The file explorer dialog is titled "Open" and shows the path "C:\Users\neathra\Documents\global sales data analytics". It contains a list of files with columns for "Name", "Date modified", and "Type". Two files named "Global_Superstore2" are listed, both modified on "30-07-2020 13:27" and identified as "Microsoft Excel". The "File name" field at the bottom of the dialog is set to "Global_Superstore2", and the "Files of type" dropdown is set to "Custom Files". The "Open" button is highlighted.
